

# SDP Digital Innovation Challenge

## Rules of the Challenge

- i. Eligible applicants are SDP's employees, registered companies or university students or lecturers who are representing their university.
- ii. Shortlisted applicants will join the Proof-of-Concept (POC) stage at their own cost.
- iii. Applicants **must** disclose any external data sets used.
- iv. Any and all intellectual property rights arising from the model and/or solution shall be transferred and/or assigned to SDP at absolutely no cost. In this regard, applicants shall sign any agreement(s) and/or document(s) which may be required to effect the transfer and/or assignment.
- v. Shortlisted applicants must agree to the terms & conditions of the competition which include but not limited to the signing of a non disclosure agreement and/or such other agreements and/or documents that SDP deems necessary.
